COLOUR CONNOISSEUR

Find a view you like. Soften your gaze and scan your line of vision from left to right and back again, to identify a dominant colour. Now, spend five minutes exploring how many different shades of that colour you can distinguish.

SITTING SEAGULL

This is an invitation to find a safe spot to sit along the Marina for five minutes and connect with your senses. Watch the surface of the water, listen to the gulls, and feel the breeze on your skin. What else do you notice?
